4. Judith Wright Centre of Contemporary Arts, Performance Theatre
5. Judith Wright Centre of Contemporary Arts, Shopfront
6. Griffith University | Queensland Conservatorium, The Conservatorium Theatre

Brisbane Powerhouse

Brisbane Powerhouse is Queensland's premier multi-arts venue presenting the best local, national and international contemporary performing arts events. It is located in the inner city suburb of New Farm, 3kms from Brisbane's CBD on the banks of the Brisbane River beside the beautiful New Farm Park.

Space

The Turbine Platform is a larger open space visible from the main Brisbane Powerhouse foyer and open to the general public.

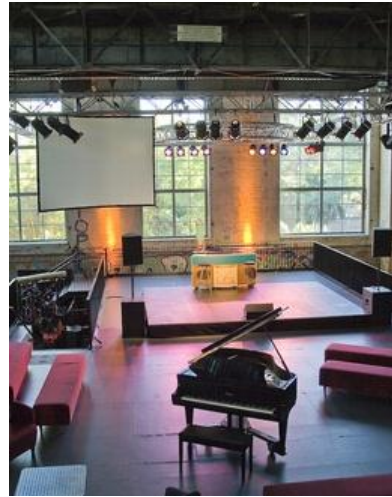

Stage

The main platform is approx. 9m W x 9m L. The raised stage area is approx. 6m W x 5m L x 0.61m H

Capacity

Standing configurations include intimate mode (600 standing: 400 platform + 200 gallery positions)

For more detailed Brisbane Powerhouse venue specifications, please contact us on apam@brisbanepowerhouse.org or phone +61 7 3358 8622.

Queensland Performing Arts Centre

The Queensland Performing Arts Centre (QPAC) is Queensland's premier performing arts centre. Located on the banks of the Brisbane River opposite Brisbane's CBD, QPAC is one of four organisations that make up the state's Cultural Centre.

Space

The Cremorne Theatre is QPAC's most adaptable venue and is located on the riverside of QPAC, with the entrance about half way along the building.

Stage

Modular deck 10m W (between balconies) x 8m D @ 800mm H

Capacity

Capacity: 302 (theatre); 220 (cocktail); 200 (banquet).

Judith Wright Centre of Contemporary Arts

The Judith Wright Centre of Contemporary Arts is located in Brisbane's Fortitude Valley and offers two creative spaces for APAM Showcases – the Performance Space and The Shopfront.

1st Space

The Performance Space at the Judith Wright Centre of Contemporary Arts is a "Black Box" theatre with exposed grid.

Stage

16mW x 10m D x 7m

Capacity

Capacity ranges from 214 to 300.

2nd Space

The Shopfront is one of the centre's most unique spaces, doubling as a visual art gallery and performance venue for small-scale, intimate presentations and productions.

Stage

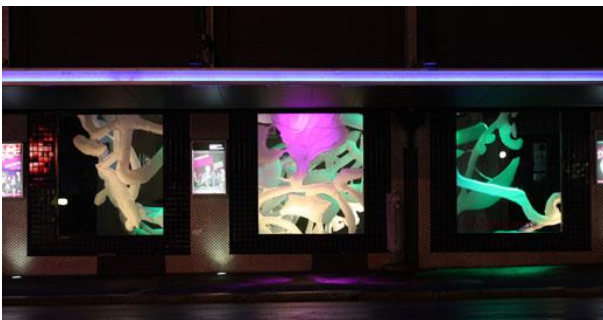

Size = 11m x 12m

Total size = 132m

Capacity

Maximum capacity is 80 people, however, three large glass windows (2.2m x 2m) overlooking busy Brunswick Street draw in additional outside audiences.

Griffith University | Queensland Conservatorium

As one of the two largest Conservatoriums in the country, the Queensland Conservatorium is situated in the heart of the Brisbane's Southbank and only a five minute walk from the Cultural Centre.

Space

The Conservatorium Theatre has a traditional Proscenium Arch and internationally renowned excellence in acoustic quality.

Stage

Highly flexible space, please refer to hyperlink

Capacity

Maximum capacity 727
